## **Join Western Wildlife Adventures for the elk hunt of a lifetime!**

Our six-day hunt will take you to the high mountaintops and Pinion valleys of Northern and Eastern Nevada. Our hunt supplies you with two guides per hunter. Your hunt includes food and lodging closest to the hunt. We do not charge trophy fees as we ALWAYS hunt for the best available trophy, it is our job! There are very few tags available for these trophy areas of Nevada and even fewer landowner tags. So if you are lucky enough to draw this prized tag, give us a call, you won't regret it. Archery hunts can be very mild, weather wise, while rifle hunts can sometimes be cold.

Bring your elk tag and an accurate rifle for the elk hunt and be prepared to be amazed in the beautiful mountains of Nevada.

### **Hunt Cost**

**One on Two (6-Days)      \$8,000**
