(530) 894-1400

Come on and join us for a couple of exciting days of fishing and gambling at one of Nevada's secret treasures.. These are two-day trips in March and April. The number of days can be extended if the party would like to stay longer. We fish Reservoirs within an hours drive.

We can customize trips to your schedule as our guides live right there in Elko, Nevada. Included in this trip is transportation once at Elko to the lakes, lodging and guiding service (bank fishing). This is a great get-away for couples or groups of friends and family.

Expect to catch fish ranging from 14-24 inches and sometimes up to 6 pounds! The German Browns and Rainbow trout are as strong as you can imagine, and make for an exciting couple of days of fishing. Lunch and soft drinks will be provided when fishing the entire day. A three-day fishing license is not included.

**\$650 per angler**
