

Nevada Fly Fishing Membership

www.wildlifeadv.com
(530) 894-1400

We now manage one of the best Stillwater fisheries in the west, Crittenden Reservoir. Crittenden is a 200 acre lake located in northeastern Nevada on the Winecup Gamble Ranch. Montello, the nearest small town, is 15 miles away. The towns of Wells and Wendover are a little more than an hour away. Crittenden is known for the quality fish including Rainbow, Tiger and Brown trout.

There are only 60 fishing memberships for the season (approximately May 1 - November 1; when ice is clear and when it freezes). Seasonal RV parking on the property and daily camping available for additional fees. Take advantage of this great opportunity while spots are open.

Seasonal Membership \$1750
